A scheduled water outage that will affect parts of Aztec Avenue, Highway 66, and Churchrock Street will take place on Feb. 29 from 9 am to 4 pm.

The outage will affect City of Gallup Water customers in the following areas:

- 3000 block of Churchrock Street
- 3300 E. Aztec Ave.
- 3400 E. Hwy. 66

The city's water department will be repairing a water leak in the area and will need to shut off the water in order to do their work safely.

Surrounding areas may experience low water pressure.
