As part of Phase III of the East Nizhoni Boulevard Improvements project, Murphy Builders Inc. has closed the south part of Nizhoni Boulevard between South Second Street and College Drive.

The north half of the road that has been closed since May will now be open.

The Allsup's existing driveway on Nizhoni Boulevard will be closed temporarily (approximately four-six weeks) due to new waterline construction requiring all traffic to use the entrance on South Second Street.

The access to all other businesses will not be affected.
