Calling all ArtsCrawlers, artists, community members, business owners, musicians and creatives of all types! Everyone is invited to the 2nd Annual ArtsCrawl Community Brainstorm on Jan. 13th from 4:30 – 6:30 pm in the El Morro Events Center.

Be the first to hear the themes for 2018 and share your ideas for next year's ArtsCrawl events in a series of speed brainstorming sessions. Help make the 2018 season the best yet.

The 1st annual Community Brainstorm involved over 50 people in generating hundreds of ideas for the event. In 2017, the ArtsCrawl team was able to implement over 50 community-contributed ideas, and they can't wait to hear what everyone comes up with this year!
