Staff Reports

Shortly before 1 am Friday, the Mustang at 3440 E. Highway 66, was robbed at gunpoint.

Gallup Police Department Capt. Marinda Spencer said that detectives are currently investigating video footage and clues from the holdup, so there's only a few details available this morning.

She did say there's more than one suspect involved, but didn't have their descriptions immediately available.

When asked if the Mustang robbery was possibly connected to the Wednesday evening armed robbery of Front Row Seat, 2824 E. Highway 66, Spencer said it's something that's too early to tell, but detectives are investigating all leads.

If you have any information that could help aid the investigation of either robbery, call Metro Dispatch (505) 722-2002.
