Police, medical and fire personnel were called out Feb.14 to the Gallup Public School Stadium, 1000 S. Grandview, after a passerby made a report to 911 about what he thought was a body to the east of the stadium.

Authorities confirmed the body was that of DeWayne Freeland, 55, of Fort Wingate, N. M.

Gallup Police Captain Erin Toadlena Pablo told the *Gallup Sun* that the family has been notified. There is no cause of death at this time, however no foul play is suspected.

Results from the Office of the Medical Investigator are pending.
