The Federal Bureau of Investigation's Albuquerque Field Office is asking for the public's assistance in identifying the person or persons responsible for the homicide of Michael Barney, Sr.

Barney, 50, was found deceased outside his residence located June 7 on Roadrunner Drive in Sundance, N.M., on the Navajo Nation.

The cause of death is pending, but is considered suspicious.

The Navajo Nation Department of Public Safety is assisting with this investigation.

***Anyone with information on this case is asked to immediately contact the FBI by calling 505-889-1300 or sending information online at [tips.fbi.gov](https://tips.fbi.gov).***
