

The visit to New Mexico by Donald Trump on September 16, 2019, *did not inspire hope or excitement.* New Mexico has been fortunate to be considered a “Blue” State for many reasons, foremost is the fact that we are a State of diversity and inclusion, contrary to the Doctrine of Trump “MAGA” that promotes racism, hatred, division and violence.

The actions of the Republican GOP, scripted and rehearsed with their false patriotism, fake morality, serious lack of professional ethics, collaboration with America’s historical enemies and scandalous corruption are acceptable to them. And no wonder, Donald Trump’s Zero Tolerance Immigration Policy has over 52,000 Immigrant Children in Concentration Camps across America coupled with Family Separations, 23 Women Accusers, the ongoing Impeachment Inquiry and numerous other offenses. And the Republican GOP controlled Senate has not passed over 200 Bills already passed by the Democratic House, including two comprehensive Gun Control Bills. Donald Trump stated that he won’t sign them as well. This is the Donald Trump “Loyalty Oath.”

Although Contempt of Congress is a punishable Illegal offense, the U.S. Department of Justice, now headed by Trump’s personal Attorney General William Barr, not one who took Trump’s advice and ignored Congressional subpoenas will be jailed. Further, on behalf of Donald Trump, U.S. Attorney General William Barr and personal attorney Rudy Giuliani, are knowingly destroying the Rule of American Law. Barr has instructed others to ignore Official Congressional Subpoenas, in nefarious spite of the 1821 Anderson vs. Dunn Ruling. Barr is also meeting with Foreign Intelligence Officials to discredit the Congressional Impeachment Inquiry. Forecast: Barr will issue a Pardon to Donald Trump if he himself is not impeached by Congress.

In 18 U.S. Code § 2384, "Seditious conspiracy" is described: "If two or more persons in any State or Territory, or in any place subject to the jurisdiction of the United States, conspire to overthrow, put down, or to destroy by force the Government of the United States, or to levy war against them, or to oppose by force the authority thereof, or by force to prevent, hinder, or delay the execution of any law of the United States, or by force to seize, take, or possess any property of the United States contrary to the authority thereof, they shall each be fined under this title or imprisoned not more than twenty years, or both."

First, it has been official U.S. Policy via Twitter, now it's the Official White House Script for the Mockumentary "As the White House Turns". The Impeachment Inquiry is an Official Investigation by the U.S. Congress. National Polls indicate wide spread support: All by a ten percent nationwide rise since the last Poll from two months ago.

The main supporters of Donald Trump are the Right-wing Republican GOP and the Evangelical Christians, many who swoon at Trump's declaration: "I am the Chosen One." Well, New Mexico has always been a Democratic stronghold. We are fortunate for that.
