The Paul Harris Fellow is an honored bestowed upon a Rotarian in the name of the founder of Rotary International Paul Harris. Paul Harris was a Chicago Attorney who founded Rotary International in 1905.

The Paul Harris Fellow is an individual award/recognition that is given to Rotarians by their respective clubs who have demonstrated outstanding leadership in not only their club but in their community.

The Rotary Club meets most Wednesdays at noon for lunch and business session.

They are known for bringing in prolific speakers to discuss issues important to Gallup.

Local Rotarians receive distinguished award

They also honor a high school senior of the month as part of their scholarship program.

And they are always of looking for ways to best serve the community.
