---

**ARIES (March 21 to April 19)** A little wool-gathering is OK, but don't let that dreamy state linger beyond midweek, when you'll want to be ready to take on new workplace responsibilities.

**TAURUS (April 20 to May 20)** Love rules the week for single Bovines seeking romance. Attached pairs also find new joy in their relationships. The 29th should bring news about a business opportunity.

**GEMINI (May 21 to June 20)** Home becomes the center of a new social whirl, as you show off your talent for hosting great parties. You can expect to impress a lot of people who've never seen this side of you.

**CANCER: (June 21 to July 22)** The Moon Child might have to raise those powers of persuasion up a notch to get a still-wary colleague to agree to go along with your plans. Finding more facts to back up your position helps.

**LEO: (July 23 to August 22)** Hold off trying to fix the blame for an apparent mishandling of a work situation. A full investigation could reveal surprising facts on how and why it really happened.

**VIRGO (August 23 to September 22)** Your ability to see the details that others might overlook gives you an advantage in assessing an offer that possibly seems too good to be true. A trusted colleague has advice.

**LIBRA: (September 23 to October 22)** Expect to be called on once again to act as the peacemaker in a long-simmering dispute that suddenly flares up. Offer advice, but be careful to stay out of the fray.

**SCORPIO: (October 23 to November 21)** Your organizational skills help you line up your priorities so that you get things done without added pressure. The weekend could hold a special surprise.

**SAGITTARIUS: (November 22 to December 21)** New ventures are favored, but don't launch yours before rechecking all the facts and sources. Also, be sure that you can rely on support from certain people.

**CAPRICORN: (December 22 to January 19)** Don't be pushed into renegotiating an agreement, even though it might help avoid a potential impasse. Get legal advice before you sign or agree to anything.

**AQUARIUS: (January 20 to February 18)** Helping others is what Aquarians do so well. But this time, someone wants to help you. Expect to hear some news that will both surprise and delight you.

**PISCES: (February 19 to March 20)** Things go so swimmingly by midweek that you're tempted to take on more tasks. Best advice: Finish what you have now, then enjoy a well earned relaxing weekend.

**BORN THIS WEEK:** Your understanding of human nature helps you make wise decisions that are appreciated by all. You would make a fine judge.
