Meet Roy!

Roy is a 1.5 year old neutered Labrador Retriever mix. He is up to date on all annual vaccinations and is adoption ready. He is the sweetest boy and always has a smile on his face!

Upon intake, Roy had an abscess on his face which has caused scarring, but has healed up wonderfully. He does great with other dogs and kittens. Roy is always so happy and full of energy! He loves being outdoors and definitely loves meeting new people.

For more information about Roy, please call the Humane Society of McKinley County at (505) 863-2616 or email them at humanesocietygmc@gmail.com .
